3. BE CAUTIONS WITH MOBILE ONLINE SHOPPING

■ Mobile Apps

- While installing look if it contains **ads**, if so **avoid** installing such apps
- While performing mobile banking, try **uncheck username and password** by third party apps.
- **Do not** give **permission** to mobile apps to auto fill the **OTP (how does this happen ?)**
- While installing apps, be cautious with apps which ask for permission to **read messages, access to your gallery**

APPLICATION TO AUTO SAVE YOUR CREDENTIALS

The screenshot shows the SBI Online login interface. At the top, there are status icons for VoLTE, 4G, signal strength, 95% battery, and 18:30. The SBI logo and 'SBI ONLINE' are displayed. Below is a 'Login to OnlineSBI' header with a right-pointing arrow. The text 'Welcome to Internet Banking' is followed by two radio button options: 'PERSONAL BANKING' (selected) and 'CORPORATE BANKING'. There are two input fields: 'Username*' and 'Password*'. A blue 'LOGIN' button is centered below the fields, with a 'Reset' link underneath. At the bottom, a dark grey bar contains a checked checkbox for 'Remember Customer ID' and a 'Continue' button with a right-pointing arrow. This bottom bar is highlighted with a red rounded rectangle.

POINTS TO REMEMBER

1. Be aware of the activities carrying out on mobile phone
2. Your smart phone is having facebook, gmail, amazon, flipkart etc., without re-prompting for password.
3. Do not handover your phone to unknown people
4. Prefer PIN based locking system rather than pattern based.
5. Regularly observe your apps and remove anything suspicious or unintended is observed.

4. CHECK REFUND & RETURN POLICY

- Prior to placing any order remember to check the refund and return policy of the ecommerce websites
 - These policies may vary product to product within same website. **Watch before checkout**
